The LCM currently uses PayPal as our secure online payment provider – please note you DO NOT need a PayPal account to use this service. Once you have gone through to PayPal, use the boxes on the left hand side and enter your card details like normal. This is not very clear on the PayPal site.

If you do not wish to use PayPal you can either use the 'Reserve My Place' option and a member of our team will contact you to complete your booking or forget online completely and call the office (10am – 8pm) and book your course over the phone!
